

Mother Miller's How To Write Good Book

by Sasha Miller

ISBN 0-9671783-1-2

Price U.S. \$15.00

136 pages.

8.25 x 5.25 inches.

Mother Miller's How To Write Good Book might not take itself too seriously, but it's full of good and sensible advice. It's an invaluable reference for all writers of prose, and particularly useful for writers of fiction.

Written with wit and humor, MMHTWGB (this book is best known by its initials) covers everything from plotting to character development to grammar to manuscript style. Sasha Miller writes with the witty, acerbic, and yet gentle style that has made her the bane and the delight of hundreds of writing students. You'll want to put this concise guide on a shelf close to your desk, in between *The Elements of Style* and your favorite dictionary.
