***The Sins of the Fathers***  
**ISBN 0-9671783-4-7**  
**196 pages \$15.00**

A scientific expedition travels into deep space, and brings back shocking news: the galactic core has exploded—and the Earth is doomed! Includes a new introduction by Ben Bova, editor of the original *Analog* serials, plus the essay “How to Move the Earth” by the author.

***Lifeboat Earth***  
**ISBN 0-9671783-5-5**  
**264 pages \$17.50**

The planet has escaped the doomed Milky Way—but who will survive a journey that could be as deadly as the radiation blast that will wipe all life in the Galaxy? Includes a new afterword by the author.
